

## MFL Newsletter - Summer Term 2019

We have had a brilliant term so far in languages! We have continued our links with schools in France and Spain and all enjoyed meeting children and teachers from Barcelona. This term we will continue to be busy developing our super language skills and some year groups will be doing their German language units. We are also looking forward to hosting the annual year 5 French café day on 18<sup>th</sup> June, with other schools from our MAT. If anyone is lucky enough to go to France, Germany or Spain this summer, please send in any interesting photos of your budding linguists in action!
