

Maths

During our first half-term, we will be looking at place value with adding and subtracting numbers. We will be asking your child to practise set times tables, with a weekly times tables test. In addition to 2s, 5s, 10s (that the children learnt in Year 2) your child will be expected to learn their 3s, 4s and 8s with a mixture of division and multiplication questions.

English

Whilst studying 'Charlie and the Chocolate Factory', Year 3 will be writing their own narratives, persuasive texts and instructions.

Reading

Year 3 will be given a levelled book by their teacher, along with the opportunity to get a book from the library. Reading records will be regularly checked on a Monday and we expect - as a guide- to see three comments in their reading record, per week.
