To parents and carers at  
all South Bank Multi Academy Trust schools

Dear Parent/Carer

Following the Prime Minister's announcement on Sunday 10 May, we now know that a conditional plan for education will see Reception, Year One and Year Six pupils begin a phased return to school from Monday 1<sup>st</sup> June; with Year 10 pupils spending at least some time at secondary school before the summer holidays.

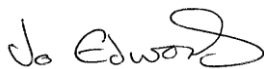

The Prime Minister emphasised that the return to school from this date remains dependent on satisfactory progress being maintained in the response to coronavirus covid-19.

Details of how the conditional phased return to school will work in our schools will become clear over the coming days and once we are in possession of the facts, our website will be updated and we will contact you again.

We will continue to be guided by Government advice and our key, overriding focus will be to ensure that schools are safe places for both pupils and staff.

Thank you for your continued patience in these testing times.

Yours faithfully

Jo Edwards

Trust Principal
