

Summer Holiday Project

To help us to get to know you in September, we would like you to create an 'All About Me' poster. This could include photos or drawings about you, your family, pets and things you like to do. It can be as big as you want to make it and you can include captions as well. We would like you to take a photograph of your poster and email it to the Year 1 email address:

year1@knavesmire.southbank.academy

We can then show them to each other on the whiteboard when we return to school.

Have a super summer holiday and we will see you in September!

Moving to Year One

Who are the grown-ups in Year One?

You will meet new grown-ups in Year One. They are:

Mrs Gage

Miss Hill

Mrs Woodward

Miss Buczynska

There is also an outdoor classroom area where we can learn and play.

What will I learn about?

You will learn lots of new things in Year One. In September, we will spend some time sharing our experiences, getting used to being back at school and having lots of fun!

Where will I work?

You will have your own classroom. We stay in our own classrooms when we are working.

Mrs Gage's Classroom

Miss Hill's Classroom

There is a shared area where there are lots of great things to play with.

What happens when I come to school each morning?

Year one line up in the playground near the wooden fence. Your teacher will meet you outside and bring you into school.

Where will I put my things?

You will have your own locker where you can put your coat and P.E bag.

If you bring a packed lunch, there is a trolley outside the Year One classrooms. You can put your packed lunch bag on the trolley ready for lunch time.

You will have your own drawer in the classroom. This is where you can put your book bag.

Water bottles and snacks are stored next to the sink in your classroom. You can bring your own snack for the morning, afternoon or both! Fruit is also available at school.
