

Your child's homework will now be available to access via Google Classroom. Your child will be bringing home a unique email and password to enable them to access Google Classroom at home. Here is a quick guide to logging on.

1. Load a Google page and click sign in.

2. Insert your child's email address. Each email starts with the year your child started school followed by their first name and first initial of their surname. All email addresses use the domain @knavesmire.southbank.academy.

3. Insert your child's password

	Google Hi Miss	
	Hi Miss	
Criter your pe	1000	0
		-

5. Your child's classroom will appear like this....

4. Click on the Google Apps button (9 dots) in the top right corner and select Classroom

6. Assigned work will appear in the classroom stream.
