

Maths

During this term, we will be continuing to focus on adding and subtracting numbers whilst introducing multiplication. We will continue to practise the 2x, 3x, 4x, 5x, 8x and 10x tables.

English

We will work on how to write persuasively in the form of letters and continue our focus of making sure every sentence is punctuated accurately.

Reading

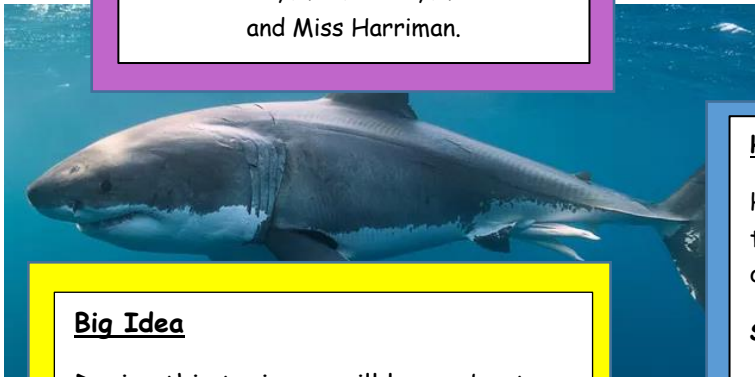

Year 3 will be given a levelled book by their teacher, along with the opportunity to get a book from the library. Reading records will be regularly checked and we expect - as a guide - to see three comments in their reading record, per week.

Year 3

Autumn 2 Newsletter 'What Lies Beneath'

Welcome to Year 3! The Year 3 Team:

Mr Tiffany, Miss Hobson, Mr Poyner,
Miss Dansey, Mrs Bracken, Miss
Richardson, Mrs Fraser, Miss Baran
and Miss Harriman.

Big Idea

During this topic, we will learn about the different oceans of the world and what creatures lie beneath them. We will examine food chains in detail and support all of our learning by going on a trip to THE DEEP!

Main subjects that will be covered:

- Geography
- Science
- Art

PE will be on a **Monday** and **Friday** afternoon. Our PE units this term will be hockey and netball.

Please make sure your child has appropriate clothing in school for all weathers.

Homework

Homework will be given out on a **Friday** and is to be handed in the following **Friday**, unless otherwise specified.

Spellings

Children will be given a spelling rule that they will learn at home/school and then be tested on this rule the Friday after.

Maths

Our focus this term will be on each timetable and revisiting place value knowledge. We are using Number Gym and TT Rockstars to support with this at school and the option is always there to use these at home as well. MyMaths will also be used to support with home learning.
